

CANADIAN INSTITUTE OF STEEL CONSTRUCTION
ALBERTA REGIONAL MEMBERS PRESENT...

Celebrating Excellence in Steel Design

2017 ALBERTA STEEL DESIGN AWARDS OF EXCELLENCE

SPONSORSHIP OPPORTUNITIES

ALBERTA BALLROOM, NORTHLANDS EXPO CENTRE THURSDAY, MAY 4, 2017

CISC ALBERTA REGION

The Canadian Institute of Steel Construction (CISC) is the national industry organization representing the structural steel, open web steel joist and steel platework fabricating industries. CISC promotes sustainable design and safety, together with efficient and economical use of steel as a means of expanding the construction markets for structural steel, joists and platework. CISC–Alberta Region provides representation for Alberta and undertakes regional initiatives like the Steel Design Awards.

AWARDS

The Alberta Steel Design Awards of Excellence is Canada's largest steel industry awards program. In 2015, the Awards attracted 530 attendees and 52 sponsors to celebrate the winning projects chosen from 10 finalists selected from a pool of 29 project submissions. Attendees consist of architects, developers, engineers, steel fabricators, , steel suppliers and government personnel responsible for infrastructure planning.

The goal of this biennial Awards event is to share and recognize excellence and innovation in steel design and promote awareness of the advantages of steel in construction. We also seek to create an exceptional networking environment for the steel construction industry.

Projects are entered in five Award categories: Architectural, Engineering, Sustainability, Building Communities and Collaboration. All submissions will also be considered for a special award recognizing innovation in the use of steel, entitled the Steel Edge Award.

AWARDS CELEBRATION: MAY 4, 2017

The beautiful Expo Centre, Edmonton Northlands will set the stage for a special evening featuring:

- Welcome Reception, Project Submission Showcase
- Celebration Banquet
- Awards Program
- Post-Awards Reception

CISC SPONSORSHIP CATEGORIES AND INVESTMENT BENEFITS

2017 ALBERTA STEEL DESIGN AWARDS OF EXCELLENCE

380 W INVESTMENT LEVEL OF \$8,000 (CASH CONTRIBUTION)

- Company name acknowledged as part of Opening Remarks at the Ceremony made by the Master of Ceremonies.
